FINNEY, LIVERPOOL. A GEORGE II FIGURED MAHOGANY MUSICAL LONGCASE CLOCK

FINNEY, LIVERPOOL. A GEORGE II FIGURED MAHOGANY MUSICAL LONGCASE CLOCK the case having a swan neck pediment and pierced sound fret above a glazed door with brass capped corinthian columns and matching canted corners on a slender trunk with shaped top crossbanded door and brass capped reeded quarter columns on canted box base with applied crossbanded panel on later bracket feet. The 13" arched brass dial with gilt brass four-season spandrels and broad silvered chapter ring surrounding a matted and engraved centre with sliding Strike/Chime aperture and two silvered subsidiary dials for tune selection and quarters, sweeping centre seconds and concentric calendar. The arch enclosing a rolling moonphase fronting an eight-day weight driven three train movement with horizontal pin barrel and deadbeat escapement chiming one of seven tunes each day on thirteen bells and striking the hours on a larger bell.

Dimensions: 230cm high
